

**NOTICE ON OPENING SESSION 2018
- STATE AID SCHEME FOR THE SUPPORT OF THE FILM
INDUSTRY -**

The National Commission for Strategy and Prognosis announces the opening of the 2018 session for the submission of Application Forms for financing under the state aid scheme for support of the film industry, established by the Government Decision no. 421/2018, *starting October 12, 2018 at 10:00 am.*

Applications may be submitted by post, courier or personally to the National Commission for Strategy and Prognosis Registry, 2-4, Cristian Popișteanu str., Sector 1, Bucharest, written on the cover of the sealed package of documents, the following sentence: "The selection contest projects based on the state aid scheme established by the GD no. 421/2018".

The applications for funding are analyzed in order of registration with the National Commission for Strategy and Prognosis and are solved within the limit of the approved commitment credits for the year 2018 amounting to 60 million lei.

The National Commission for Strategy and Prognosis will periodically publish on its website the list of financing applications submitted and the stage of their analysis. Unsolved funding requests until the 2018 budget end date is returned to the applicants, and the National Commission for Strategy and

Prognosis communicates on its website that no further requests for funding are received.

All information on the conditions to be met in order to obtain funding and how to fill in the necessary documents, in Romanian and English, can be found in the section "State aid scheme for support of the film industry" on the website of the National Commission for Strategy and Prognosis (www.cnp.ro).

Any questions, notifications and requests for clarification regarding the provisions of this funding mechanism can be addressed via e-mail to: comisiadefilm@cnp.ro.
